

**BUILDING CODE APPEALS BOARD  
DOCKET NO. 11-1073**

City of Attleboro,  
Appellee

The Board considered a motion to allow a variance from 780 CMR 970.3.1 on conditions that: (1) a Massachusetts Registered Engineer perform a seismic analysis of the building to determine visible issues (no demolition required as part of his analysis); (2) the Engineer issues a report to the Building Commissioner for his review and approval; (3) if minor improvements must be performed to address any seismic issues, such improvements must be reviewed and approved by the Building Commissioner (“Motion”). The Motion was **approved** by unanimous vote.
